## **STORAGE AND DISPOSAL**

KEEP OUT OF REACH OF CHILDREN. Store in closed, original container in a dry cool, well ventilated area. Avoid storage at temperatures below 15°C if possible. If product is stored below 15°C some haziness may be apparent, which will disappear on shaking container. Do not store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add spray rinsings to tank. DO NOT dispose of undiluted chemicals on-site. If recycling, replace cap and return clean containers to recycler or designated collection point.

## **SAFETY DIRECTIONS**

Repeated exposure may cause allergic disorders. Sensitive workers should use protective clothing. Avoid contact with eyes and skin. DO NOT inhale spray mist. Wash hands after use.

## **FIRST AID**

If poisoning occurs contact a doctor or Poisons Information Centre. Phone Australia 131126.

## **MATERIAL SAFETY DATA SHEET**

If additional hazard information is required, refer to the Material Safety Data Sheet. For a copy, phone (02) 9984 2255 or visit our website at [www.webcot.com.au](http://www.webcot.com.au).

**MANUFACTURER'S WARRANTY AND EXCLUSION OF LIABILITY:** The statements, technical information and recommendations contained herein are believed to be accurate. Since the conditions and methods of use of this product and of the information referred to herein are beyond our control, Webcot Pty Ltd expressly disclaims any and all liability as to any results obtained or arising from any use of this product or reliance on such information. No warranty to fitness for any particular purpose, warranty or merchantability or any other warranty, express or implied, is made concerning the goods described or the information provided herein nor shall Webcot Pty Ltd be liable for any loss, damage or injury, direct or consequential, arising out of the use of this product.

**NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.**

**WITHHOLDING PERIOD:** DO NOT PICK EDIBLE PLANTS FOR 1 DAY AFTER SPRAYING.

**GENERAL INSTRUCTIONS**

**INSECTICIDE RESISTANCE WARNING**

For insecticide resistance management SPY is a Group 3A insecticide. Some naturally occurring insect biotypes resistant to SPY and other Group 3A insecticides may exist through normal genetic variability in any insect population. The resistant individuals can eventually dominate the insect population if SPY or other Group 3A insecticides are used repeatedly. The effectiveness of SPY on resistant individuals could be significantly reduced.

Since occurrence of resistant individuals is difficult to predict prior to use, WEBCOT Pty. Ltd. accepts no liability for any losses that may result from the failure of SPY to control resistant insects. SPY may be subject to specific resistance management strategies.

For further information contact your local supplier, WEBCOT or local agricultural department agronomist.

**MIXING / APPLICATION**

Shake original container well before use. Periodically agitate suspension during application to ensure mixing. DO NOT store diluted insecticide. Prepare a fresh solution as necessary. DO NOT spray the moving parts of any machinery, electric motors or switchgear.

**PRECAUTIONS**

AVOID CONTACT WITH FOOD, FOOD UTENSILS, OR PLACES WHERE FOOD IS PREPARED OR STORED.

**BEFORE USE:** REMOVE OR COVER ALL EXPOSED FOODSTUFFS. COVER ALL DISHES AND UTENSILS AND SURFACES WHERE FOOD IS TO BE PREPARED.

**AFTER USE:** THOROUGHLY VENTILATE TREATED AREA. CLEAN UP THOROUGHLY BEFORE PROCESSING/SERVING RESUMES.

**GROUP 3A INSECTICIDE**

SPY 1L LABEL LEAFLET – SIZE: 188mm wide x 165mm deep

**PROTECTION OF WILDLIFE, FISH, CRUSTACEANS  
AND THE ENVIRONMENT**

Dangerous to fish and other aquatic organisms. DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

**PROTECTION OF PETS AND LIVESTOCK**

Before spraying, remove animals and pets from areas to be treated. Cover or remove any open food and water storage containers. Cover or remove fish ponds, aquariums, etc before spraying. Dangerous to bees. DO NOT spray any plants in flower while bees are foraging.

**STORAGE AND DISPOSAL**

KEEP OUT OF REACH OF CHILDREN. Store in closed, original container in a dry cool, well ventilated area. Avoid storage at temperatures below 15°C if possible. If product is stored below 15°C some haziness may be apparent, which will disappear on shaking container. DO NOT store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add spray rinsings to tank. DO NOT dispose of undiluted chemicals on-site. If recycling, replace cap and return clean containers to recycler or designated collection point.

**SAFETY DIRECTIONS**

Repeated exposure may cause allergic disorders. Sensitive workers should use protective clothing. Avoid contact with eyes and skin. DO NOT inhale spray mist. Wash hands after use.

**FIRST AID**

If poisoning occurs contact a doctor or Poisons Information Centre. Phone Australia 131126.
